

Volcan ETNA,^{SICILIA} SICILIA

A photograph of a volcanic eruption at night. The volcano is silhouetted against a dark blue sky, with a massive plume of bright orange and red lava and ash being ejected from the crater. The lava flows down the slopes of the volcano, creating a glowing orange path. The word "fine" is overlaid in the center of the image in a large, yellow, rounded font. In the bottom left corner, the website address "www.vigi.ilbello.com" is visible in a small, light blue font.
